EDUCATION

H.B Institute of Technology and Mining

Diploma in Survey Engineering (Mining); GPA:7.80

Raniganj, India

June 2017 - October 2020

Durgapur, India

NSHM Knowledge Campus

Bachelor of Technology in Computer science and Engineering (CSE) - [ON GOING]

May 2023 - June 2026

ABOUT ME

I am a 4th-year Computer Science Engineering student with strong knowledge of Python programming, data structures, and database management systems. Passionate about problem-solving and software development, I aim to apply my technical expertise to real-world projects. I am actively seeking opportunities to enhance my skills and gain hands-on industry experience.

SKILLS SUMMARY

- **Languages:** C Programming, Java, HTML, CSS, Python (Intermediate)
- **Tools:** Excel, PowerPoint, MySQL, Django
- **Platforms:** Notepad++, Visual Studio Code, IntelliJ IDEA, Dev C++, Apache NetBeans
- **Soft Skills:** Rapport Building, Strong Stakeholder management, People Management, Excellent communication

INTERNSHIP EXPERIENCE

Cod Soft – Virtual Internship – C++ Programming | [CERTIFICATE](#)

Jul 2024 - Aug 2024

- ☐ Developed projects and solved tasks using C++ programming.
- ☐ Gained experience in object-oriented programming, data structures, and algorithm implementation.
- ☐ Received positive feedback for contributions to assigned projects.

Oasis Info byte – Virtual Internship – Java Development | [CERTIFICATE](#)

Sep 2024 – Oct 2024

- ☐ Developed and implemented Java-based applications.
- ☐ Gained hands-on experience in object-oriented programming and software development.
- ☐ Worked on real-world projects and enhanced problem-solving skills.
- ☐ Strengthened knowledge of Java frameworks, APIs, and debugging techniques.

CERTIFICATES

Introduction to Artificial Intelligence (IBM) | [CERTIFICATE](#)

September 2024

- Gained foundational knowledge of Artificial Intelligence concepts and applications.
- Explored AI technologies, including machine learning and neural networks.

Cyber Security Basic Concepts (Webel) | [CERTIFICATE](#)

October 2024

- Gained knowledge of fundamental cybersecurity concepts and best practices.
- Learned about network security, threats, and preventive measures.
